

## **KIAMA LITTLE ATHLETICS**

### **PRESENTATION DAY 5 April 2020**

#### **PRESIDENT'S INTRODUCTION (Taryn Hodgson)**

The 2019-2020 season will be remembered as one of the most challenging in the history of Little Athletics. Many Centres were directly affected by bushfires and the negative impact on air quality prevented numerous meets and carnivals from being held. Hot weather and flooding rain presented further complications towards the latter part of the season and the threat of COVID-19 has recently forced the unprecedented cancellation or postponement of sporting events across the planet.

Unfortunately, the current environment has left us with no choice but to postpone our Presentation. We could certainly do with some good news at the moment so, rather than wait until later in the year to announce the season's results, the Committee believed it would be beneficial to publish the details on the day the Presentation was originally scheduled.

We hope you enjoyed the season and thank you for being a part of the wonderful Kiama Little Athletics family.

Let's formally recognise our athletes' achievements!

#### **ELIGIBILITY FOR CENTRE AWARDS**

To be eligible for end of year awards an athlete must have attended a minimum of 60% of competition mornings and/or evenings from the start of the season. The "Orientation Day" is excluded from this calculation.
